

# Respect

At Craigieburn South we value  
**RESPECT** which means

Treating everyone and everything with care and courtesy  
It means caring about you, other people and the environment

We show respect at Craigieburn South Primary School when:

We use good manners

We treat others the way we like to be treated

We listen to other people

We think about other people's feelings

We appreciate people who help us such as our parents, friends,  
teachers and visitors

We behave in a safe and sensible way

We look after our environment

We are responsible with our own and other's property

We talk to each other in a respectful way; we do not swear or  
say unkind things

We follow the rules and laws that are made to keep us safe
